TRINITY PRESCHOOL, DAYCARE AND EARLY LEARNING CENTRE, BUKOTO

HOME OF HOLISTIC EDUCATION

DIVERSE CURRICULAR PROGRAMMES

We provide a well-rounded experience that nurtures creativity, skills, and character. Through music, art, storytelling, and structured games, children develop teamwork, problem-solving, and collaboration skills while expressing their creativity and self esteem.

We emphasize spiritual growth with daily devotions, praise and worship songs, and value-based lessons, fostering leadership, resilience, and a strong moral foundation.

To further enrich their journey, each child joins a club for two years, engaging in activities that build friendships, explore passions, and develop key interests in a supportive environment.

At Trinity, we prepare well-rounded individuals ready to thrive in a world full of possibilities!

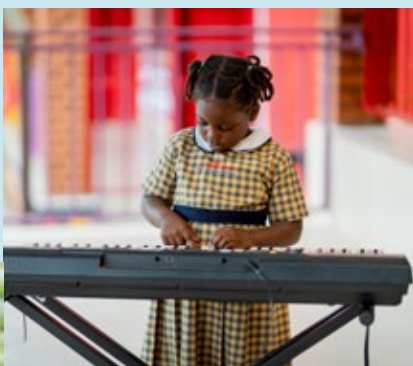

BACKGROUND

Trinity Preschool, Daycare and Early Learning Centre is more than an early childhood education provider — it is a Home of Holistic Education and a gateway to wonder and discovery. Our innovative programmes inspire young minds to learn, grow, and build a strong foundation for lifelong success.

We provide a nurturing, stimulating, and child-friendly environment where curiosity thrives, creativity blossoms, and every child's unique potential is celebrated. With a passionate and experienced team, we nurture both mind and character through engaging and meaningful experiences.

At Trinity, every child is empowered to explore, play, and shine in a fun, healthy, and supportive atmosphere.

DAYCARE AND EARLY LEARNING CENTRE

At our Daycare and Early Learning Centre, we provide a safe, nurturing environment for children aged 6 months to 3 years. Our holistic programme fosters curiosity, creativity, and growth across emotional, social, cognitive, and physical development.

We offer nutritious, balanced meals, spacious play areas for exploration, and a cozy sleep room for restful naps. Our dedicated caregivers guide children in essential life skills like potty training and brushing teeth, laying a strong foundation for their well-being and lifelong love of learning.

WELFARE

We prioritize the well-being of our young learners by providing nutritious, balanced meals for breakfast, lunch, and snacks, using fresh, seasonal ingredients to support their growth and development.

Guided by Christian values, we foster a nurturing environment rooted in faith while embracing and respecting the diverse religious backgrounds within our community. Every child feels valued, included, and supported.

For added convenience, we offer safe and reliable transport services for pick-up and drop-off, ensuring a smooth journey to and from school.

ACADEMICS

At Trinity Preschool, we nurture a love for learning through a balanced curriculum of structured activities and fun experiences. Our three stages - Nursery Class, Kindergarten, and Pre-Primary - build a strong foundation for growth.

With adequate class sizes, we ensure every child's unique needs are met in a safe, inclusive, and engaging environment. Our dedicated staff provide personalized support, helping children thrive academically, socially, and emotionally.
