## ABOUT THE SCHOOL

Trinity Primary School opened in 1998. It has over the years, discovered, nurtured and mentored pupils' potential. Facilitated with good education, counseling and parenting, pupils have grown into fine young adults ready to excel in any society.

The school is well-resourced to meet the challenges of modern learning strategies. We boast of a welcoming and fully-stocked school library- from books, computers and other media - ready to feed and educate curious minds.

Our teaching is based on the Ugandan education curriculum complemented by co-curricular activities. The major subjects offered are; English, Mathematics, Science, Social Studies, Music and Computer. All are taught by professional, experienced and renowned teachers. Weak areas of study are given extra attention through more personal remedial lessons. Academic promotion is accorded in reference to continuous assessment by teachers. This method has helped us through the years to achieve very good grades at the Primary Leaving Examinations.

## DISCIPLINE

We have zero-tolerance for indiscipline. The school is culturally and racially diverse with pupils from Uganda; and abroad and strives to instill a respectful and tolerant environment.

Lively assemblies

## EXTRA CURRICULAR ACTIVITIES

Our children are involved in Music Dance and Drama (MDD) that help build the pupils talents and skills. Most of this is showcased during assemblies where a specific class performs for the rest of the school.

### CLUBS

Every student is attached to a given club for a period of one year. It is a safe space for learners to nurture and develop life skills and talents. These clubs include:

1. Ballet Club
2. Chess Club
3. Scouts Club
4. Soccer Club
5. Netball Club
6. Volleyball Club
7. Swimming Club
8. Basketball Club
9. Brass band Club
10. Badminton Club
11. Table tennis Club
12. Home Management Club
13. Musical instruments Club

## STAKEHOLDER PARTICIPATION

The school values the participation of the stakeholders in the operation of all school activities. This is possible through the Parents and Teachers Association (PTA), which meets often to discuss matters concerning the school.

## TRANSPORT

The school owns vans that pick up and drop off pupils in areas of Bukoto, Ntinda, Kulambiro, Kyanja, Najjera, Namugongo, Buwate, Kiwatule, Matugga and surrounding areas of Kampala.

Swimming Club

Brass band Club

## WELFARE

The school provides a healthy environment for the well-being of the pupils. The Boarding section has well ventilated dormitories that are safe with built-in precautions to handle any emergency that might occur. Clean water is provided and strict sanitary hygiene is also observed.

We endeavour to provide a balanced diet through the different meals served during the week for both the boarders and day students. Fruits and snacks are often included in the mealtime tables.

Our dispensary is well stocked and under the care of a professional nurse who provides adequate treatment to pupils in need of medical attention.
